Product Name: Pavo
Product Code: 8709

Thank you for placing your order with the DIR . Our materials inc. faux leather etc, are specially sourced to provide quality and performance, as well as meeting UK/EU safety regulations to ensure customer satisfaction.

All of our facial beauty bed are produced with strong resilient faux leather, tested by our manu- facturer to ensure strength, memory, heat resistance and stain proofing. We also fit our facial beauty bed with fire-retardant, pre-moulded memory foam to ensure continual use and sustained durability which we offer a one year warranty to ensure customer confidence in our products and our company.

WARRANTY

The warranty period is one year. DIR warrants to you, the original buyer, that goods shall be free of defects in material and/or workmanship attributable to manufacture for one year from date of buyer's receipt of product. Damage resulting from improper handling after merchandise is received, or from exposure to weather or extreme atmospheric conditions is not covered by the warranty.

(6) The rotation function

This beauty bed has a rotation function. First, you arrow shows you in the picture, and then you should move the surface of the beauty bed. When the beauty bed is rotated to $\pm 120^\circ$, no matter it is left side or right side, these two angles can be fixed because of the designed card slots at the inner turntable.

Maintenance

1. Daily cleaning

You can wipe out the dust by using soft dry towel.

2. Eliminating the stubborn dirt

As we all know, it is hard to eliminate the stubborn dirt by using normal dry towel. In this case, you can use soft towel with diluted neutral detergent to clean it first. And then you can use dry towel to scrub.

3. It's prohibited to use benzene, diluent, gasoline or other solvent.

These solvents may damage the leather or it may cause the corrosion of the products appearance.

4. Storage and operating environment

Don't put the product under the strong sunlight and moisture environment. Otherwise it may cause the damages of the product.

5. It is allowed to use this product under the temperature from 5°C to 50°C and the humidity from 45% to 85%.
